Press Release November 1, 2017

Hexatronic invests in further duct capacity to meet increased demand

Hexatronic Cables & Interconnect Systems AB, a wholly owned subsidiary of Hexatronic Group AB, invests in further duct capacity at its factory in Hudiksvall, northern Sweden.

The investment is part of the company's strategy to increase production capacity and product breadth, in order to meet increased demand for its products.

The investment is worth approximately MSEK 21 and will take place in two stages: the first capacity increase will be completed in spring 2018, and the second stage in autumn 2018.
