Press Release February 23, 2018

Hexatronic wins submarine cable orders totaling 33 MSEK

Hexatronic Cables & Interconnect Systems AB, a wholly owned subsidiary of Hexatronic Group AB, has recently signed several agreements regarding fiber optic submarine cable. The total order value amounts to 33 MSEK, of which most of it is from new customers. The major part is planned to be delivered during summer 2018.

Hexatronic offers system solutions in submarine cables as well as in the complete fiber optic infrastructure, from development and production to delivery.

“We are very satisfied about the agreements which is an acknowledgement on the confidence in the market of our broad submarine cable offering.” said Henrik Larsson Lyon, Hexatronic’s Chief Executive Officer.
