Press Release August 15, 2018

## Hexatronic signs agreement with a UK operator totalling 6 MGBP

Hexatronic UK Ltd., a wholly owned subsidiary of Hexatronic Group AB, has signed an agreement with a UK operator, regarding our FTTH system of fibre optic products. The agreement includes supply of microduct, fibre cables, distribution cabinets and accessories for delivery in 2018. The total order value amounts to approximately 6 MGBP.

Hexatronic UK designs, manufactures and distributes innovative solutions and products for telecommunications networks specifically within passive fiber optic infrastructure. With customized product development and on-site production and manufacturing, Hexatronic UK is one of the most innovative actors in the market.

*“We are very glad about this agreement. It shows that our system offer is both very appreciated and competitive. With the acquisition of PQMS, in June 2018, we are now also able to provide our customers with tailor made training, which further strengthen our system offer. Our high-quality offer is characterised by easy and quick to install solutions that is supported by our field support and training.”* says Henrik Larsson Lyon, Hexatronic’s Chief Executive Officer.
