Press Release December 18, 2020

Hexatronic wins submarine cable orders totalling approximately 50 MSEK

Hexatronic Cables & Interconnect Systems AB, a wholly owned subsidiary of Hexatronic Group AB, has recently signed several agreements regarding fiber optic submarine cable. The total order value amounts to approximately 50 MSEK, which is from existing customers in Europe and North America.

It is planned to be delivered during 2022.

Hexatronic offers system solutions in submarine cables as well as in the complete fiber optic infrastructure, from development and production to delivery.

“Together with the orders we recently announced, we have now won submarine cable orders amounting to 115 MSEK during the month of December. This is a strong recognition for our broad offering in submarine cable” says Henrik Larsson Lyon, Hexatronic’s Chief Executive Officer.
